**15.Multidisciplinary / interdisciplinary**

The National Education Policy NEP 2020 states that pedagogy must

evolve to make education more experiential, holistic, integrated, inquiry-driven, learner-centered, and flexible. The policy envisions the curricular structures to enable creative combinations for a study that would offer multiple entry and exit points removing the rigid boundaries of disciplines and creating new possibilities of lifelong learning and evolving interdisciplinary thinking. Under the Research and Innovation cell of our college, an initiative to make students imbibe the academic culture of research in a holistic and multidisciplinary manner, students are grouped inter-departmentally to pursue research in an area other than their core subject, thus ensuring more integrated and cohesive learning to find solutions to society's pressing challenges. The multidisciplinary journal of ACADEMIA invites research articles to promote the same aspect. Research: At present, the institution has not recognized research laboratories. But in our institution, there are supervisors in different disciplines who are fully prepared for interdisciplinary research in the future after the full implementation of the National Education Policy. Innovations: As our institution is a multi-faculty college having Science, Commerce, Arts & Humanities, it has the opportunity to take initiative in starting short-term, skill-based certificate courses related to the core subjects.

#### **16.Academic bank of credits (ABC):**

Academic bank of Credits will be governed by the rules and regulations of the University. The internal assessment, case study assignments, supporting reading material, and viva assessments are conducted as per the prevailing norms. The faculties and students are encouraged to give constructive feedback to enhance the efficiency of the teaching-learning and bring in flexibility. It will assume larger significance with the Academic Bank of Credits and the provision of multiple entry and exit under NEP. The Academic Bank of Credit would provide a digital platform for students for credit recognition, credit accumulation, credit transfers, and credit redemption. Some of the students of the college have registered and others have started asking for registration.

#### **17.Skill development:**

The institution is running undergraduate courses in Science, Commerce & Arts. The institution is affiliated with Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. The curriculum of all subjects has been designed by the affiliating universities through the Board of Studies in different subjects. Initiatives

of the institution in skill development through the curriculum: Few of the faculty members have been assigned the work of restructuring the curriculum making it more skill-oriented. Faculties from the institutions are elected/ selected in the BOS of the affiliating university and have been putting their efforts into designing the curriculum, in the capacity of a member of the syllabus review committee. Skill development through co-curricular activities: Frequent organization of bank visits by the faculty of commerce and excursion tours by the departments of botany, Zoology, and Geography. Students of the institution have been made aware by exposure to skill development through the organization of guest lectures organized by various departments.

**18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

To ensure an enriching amalgamation of the Indian knowledge system and modern education the institution lays emphasis on adopting the Indian languages as the channels of imparting knowledge rooted in indigenous wisdom. The workshops are also held to harness linguistic skills in Hindi and English. The annual college magazine JAGAT is a students' forum that encourages them to contribute creative and informative articles. It has separate sections in Marathi & English. In Maharashtra state, English is the language set by the government as a medium of instruction. Since English has become the language barrier for students in this area, the local language, Marathi, is also used by the faculties for giving instructions in the laboratories and during remedial classes/tutorial sessions. The use of local language has been found to be more effective in the teaching-learning process. Institutional efforts for the integration of the Indian language System: Most of the notices for students are circulated in Marathi. The Marathi language is used by the faculties for giving instruction during practical hours. The institution runs Post Graduate courses in Marathi, History, and Geography in the regional language. Postgraduate Marathi students are taught in planned studies but with a view to enhance their knowledge and personality development, various innovative, supplementary sub-sessions were conducted by the Postgraduate Marathi Department. The details are as follows: National Seminar on Globalization and Marathi Folk Drama Rasayatra: A Juicy Lecture Marathi Language Pride Day.

**19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):**

The Institution regularly evaluates the performance of students through methods for measuring the attainment of each of the

Program Outcomes, Program Specific Outcomes, and Course Outcomes. The progress of a student towards the achievement of learning outcomes is assessed by: semester end examinations in a time-bound manner; practical; project assignment/case-study reports; group assignments; oral presentations. The faculty measures the performance of the students and provides remedial support for improvement. Mentoring is also provided during tutorial sessions to slow learners to keep pace with the desired progression.

Methods of Measuring Attainment of Programme Outcomes and Course Outcomes

Direct Method

1. Semester End Examination: End Semester examinations (theory or practical) is the metric to assess whether all the course outcomes are attained or not. The end Semester Examination uses a descriptive question and is of 75 marks.

2. Internal Assessment: The IA marks in a theory paper shall be based on various methods such as Assignments, Class Tests, MCQ, Group Discussion, and Paper Presentations. Lab Assignments is a qualitative performance assessment tool designed to assess students' practical knowledge and problem-solving skills. It is a metric used to continuously assess the attainment of course outcomes with respect to course objectives.

Indirect Method:

1. Feedback Evaluation: The Institution collects feedback from its stakeholders-students, Alumni, Employers, and Parents. The feedback system provides inputs on the relevance of the course, availability of the teaching material, course importance, and required support from the institution to the students.

2. Placements: The college has a proactive Placement Cell which caters to the demands of companies from different sectors.

3. Higher Studies: Another parameter to measure attainment of POs, PSOs, and COs is through a progression of students towards higher studies in reputed educational institutions in India.

4. Contribution to Societies: We assess their contribution and achievements in departmental seminars, presentations in seminars, inter-college competitions, etc. In the context of NEP, the institution will follow the continuous evaluation system as envisaged in the education policy and energize the points of internships, placements, progression, etc. to maximize the impact of NEP.

**20.Distance education/online education:**

The pandemic of Covid-19 brought a major shift in the education system as the teaching-learning process was imparted in online mode. Despite the unprecedented situation worldwide, with the consistent efforts of the teaching community, optimum utilization of various online resources, and the IT infrastructure, the teaching-learning process in the college did not face a slowdown. Rather, the creation of online study material on Google classrooms, regular zoom meetings, lecture series on teams, group discussions, and continuous research contributions using remote access given by the college to all the students helped in the enhancement of the knowledge base of the students as the prime stakeholder. NEP envisages higher education to be completely accessible for the stakeholders with the expanded range of the content resources of the curricula. The college strives to create the best of e-resources, inter-library references, and knowledge repositories for distance and online education.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

On the commencement of the academic year the academic calendar is

prepared by the committee organized for said purpose. At the beginning of the session the teachers prepare the teaching plan of their respective subjects. Induction program for the fresher's is taken every year and the evaluation of the students is carried out periodically as per the university norms.

The college takes responsibility for ensuring effective curriculum delivery, which is designed by the university. This includes preparing the academic calendar at the beginning of the new session and distributing the curriculum among faculty members through departmental meetings. The college teachers adhere to the timetable and maintain a daily diary to keep track of their working hours. Various assessments such as tutorials, class tests, and practical examinations are conducted to evaluate the students' knowledge. The teachers make every effort to ensure quality education and promote academic growth, using techniques like PowerPoint presentations and discussions. The compliance of the curriculum is verified by the Head of the Departments and communicated to the Principal. At the end of the session, the students' performance is assessed through examinations and feedback. The college strictly follows the examination conducted by the University.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the beginning of each session, the college creates an Academic Calendar that outlines curricular and co-curricular activities based on the available working days. This calendar is prepared in coordination with the University. The College Council establishes various academic committees to monitor and evaluate academic progress, with periodic reviews conducted by the IQAC, departments, faculties, and the College Council.

All departments in the college develop teaching plans and departmental timetables in accordance with the Academic Calendar. The Academic Calendar includes important information such as admission procedures and timelines, induction programs, the

formation and functioning of academic committees, teaching schedules, curriculum assessments, cultural events, class tests, holidays, extracurricular activities, annual sports and cultural activities, NSS activities, event celebrations, alumni meetings, parent-teacher meetings, remedial programs, study tours, field visits, competitions, evaluation programs.

Students are informed about the Academic Calendar well in advance through the college website. Each department prepares a detailed teaching methodology aligned with the syllabus before the start of the session. The teaching plan includes content, learning aids and methodology, faculty approach, and the total number of lectures required to complete the syllabus.

The respective departments and committees review all activities and report any events to the magazine publication committee.

## 1.3 - Curriculum Enrichment

### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

## Professional Ethics

The teachers undergo specialized training based on the recommendations of the University Grants Commission by the Ministry of Human Resource Development, Government of India. An Administrative Training Programmed was conducted for the Non-Teaching Staff.

## Gender

The college has implemented measures to address gender-related issues, including an anti-sexual harassment and grievance redressed cell, as well as an anti-ragging cell. Additionally, there is a dedicated counseling program for girls, and equal facilities are provided for both boys and girls. Health concerns of female students are addressed by providing access to local hospital services, and a Girls Common Room is available with a sanitary napkin vending machine.

## Human values

National Service Scheme of our college organizes the activities like, health check-up and blood donation camp, aids awareness rally, Yoga Day, Youth Day etc. Volunteers' of NSS participate in Swachha Bharat Abhiyan regularly as well as during NSS camp.

## Environmental and Sustainability

Environmental Science is a mandatory subject in the second year of all undergraduate programs at our college. To foster environmental awareness and promote eco-friendly practices.

The Department of Chemistry organized a Quiz on "Ozone Day." The college has also installed a rooftop solar power plant.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

After completion of admission process, our institution assesses the learning levels of the students.

The identification of advanced and slow learners is based on their academic performance in the previous year examinations. By conducting class/unit tests, the performances of the students are evaluated. Each teacher (Mentor) is given the responsibility of the allotted mentees with whom they are in touch and interact personally to understand academic and personal problems.

For Slow learners

The college provides previous University examination questions papers, takes home assignments and unit tests. Along with these, there are also other mechanisms for slow learners. As a result of this, students improve their grades in the University examinations.

For Advanced learners -

To give advanced learners a platform to develop themselves, the college encourages the students to participate in the career and counseling programs for MPSC/UPSC guidance (Competitive Examination Guidance), Seminar /Conferences/Workshops, Wallpaper competition. The teachers always motivate the students to participate in e-quiz/quiz competitions, seminars, group discussions etc.

The institution also encourages them to participate in inter-collegiate, inter-university competitions. The college provides the platform to students in the form of an annual college magazine 'Jagat' to express their innermost ideas by writing articles, poems, biographies, stories, etc.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Various methods of experimental and participatory learning, as well as problem-solving methodologies, are implemented to make sure that students are dynamic participants. The college endeavors to make teaching learning as a two-way process and student-centric. In regular classroom teaching, teachers employ traditional learning methods.

#### Experiential Learning

Our college runs three streams such as Arts, Commerce and Science. So, the teaching faculties of the college promote experimental learning methods. Natural Sciences like Chemistry, Mathematics, Botany, Zoology, Geography and Physics are using these methods in the teaching learning process to facilitate the learning abilities of the students. Laboratory experiments performed regularly as per affiliating university curriculum.

#### Participative Learning

The college follows Study Tour, Quiz-contests, Seminars, Guest lecturers of the experts, Workshops, etc. are conducted. Yoga Day, World population day, National blood donation day, Library Day, Teachers' Day, Ozone Day, Vaachan Prerna Diwas (A.P.J. Abdul Kalam birthday), Constitution Day, World Aids eradication day, National

Science Day, National Mathematics Day, International Women's day, etc.

### Problem Solving Method

In order to develop and enrich students creativity, critical thinking, reasoning power, the college adopts problem solving method. In this method, different types of problems related to teaching and learning of students are resolved.

**2.5 - Evaluation Process and Reforms**

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The academic calendar is approved by Principal and is communicated to students and teachers. As CIE has semester pattern, annual college tests are conducted in each semester for each course, in addition to these assignments, seminars, class tests, online tests, oral exams, group discussions and regular attendance of students are considered to test students' knowledge. All of these are taken into account for assigning internal marks.

Transparency measures: -

1. Inform to students and their parents of assessment process

through notices, academic calendar and through website.

2. Communicate the dates of examinations through notice on boards and on whatsapp in each semester.
3. After the evaluation, obtained marks are recorded in the file.
4. Attendance records of students are strictly checked.
5. College annual tests are conducted in each semester.
6. Students are discussing their doubts and grievances about the syllabus and examination.

Robustness measures: -

1. Assessment practices are conducted and undertaken ethically and honestly.
2. Assessment procedure and practices are fair, flexible, equitable etc.

Variety of tools used for internal assessment: -

1. Both summative and formative tools are used for internal assessment of students.
2. In theory courses, college annual tests along with assignments, seminar, quizzes etc.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

For the redressal of external examination related grievances of the students, the institution suggests such students to follow the university procedures. The students, who suffer from under-valuation, are guided about the procedures regarding the

procurement of challenge forms, xerox copies of their solved answer sheets, university theory examinations related problems.

College collects complaint from the students in prescribed form and forwards it to University. Students get xerox copy of answer sheet of the concerned paper. After reading answer sheets student can apply for verification & revaluation of answer sheets. College forwards his/her application to university. The result of revaluation is given by the university within 30 days after application.

#### Internal Exam:

The institution conducts tutorials, home assignments, unit tests, presentations, seminars, etc. to assess the performance of the students. The examination committee of the institution executes internal exams in a very meticulous manner. In order to conduct practical exams, internal and external examiners are appointed by the affiliating university. The answer sheets of unit tests and terminal exams are handed over to the students after assessment. The institution communicates to the parents of the students who fail to attempt the tests/terminal exams.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Our institute is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. For the calculation of attainment level our college used both the direct and indirect methods. The process of attainment of COs, POs and PSOs starts from writing appropriate

COs for each course in the three-year graduate and two year post graduate degree program. The attainment of COs, POs and PSOs are evaluated by the institution on the basis of success rate of the students in college annual test and University exams.

At the end of each semester, university conducts examinations and the result are published by university. The course outcomes are measured based on the course attainment level fixed by the college.

**Attainment Level:** Our Institution has defined the following attainment level.

**Attainment Level 0:** Students scoring 30% and less than 40% marks.

**Attainment Level 1:** Students scoring 40% and less than 60% marks.

**Attainment Level 2:** Students scoring 60% and less than 80% marks.

**Attainment Level 3:** Students scoring 80% and more marks.

Overall attainment level calculation is also done by using the specified formulation. Overall attainment: -80% of external exam attainment+ 20% of internal exam attainment.

The tabular presentation is also given here for the session 2022-23

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Jagat Arts, Commerce and Indiraben Hariharbhai Patel Science College stands as a model of higher education institution giving quality education to the students, mostly from poor socio-economic background. Management is the apex body in the organizational structure of the institution. The Principal as an academic and administrative head of the institution implements the decisions and policies of the Management, the University and the State Government with the help of teaching and non-teaching staff. College Development Committee (CDC) formed in accordance with the Maharashtra Public Universities Act, 2016 to look after the

academic and administrative functioning of the institution. The Vision and Mission of the college are maintained through democratic governance with the involvement of Management, staff and students.

**Vision:**

- Our institution aims to educate the rural people, spread literacy to rural and remote area of the society to build up a strong nation.
- To promote the culture of value-based education system with firm belief in up-lifting socio-economically weaker sections of the society.

**Mission:**

- Education as a mission for village folk.

To educate the rural people who astray from education due to lack of educational facility in the neighboring area.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Our institution annually organizes Sports and Cultural Program. It is celebrated with the involvement of all students. Teaching and non-teaching staff. This is the best example of decentralization and participative management. Case study regarding same is briefed below.

**Case study- Annual Sports and Cultural Events Organization:-**

As per the academic calendar of the institute, sports and cultural event is organized annually. The student council formed by the institute, as per the university guidelines, is responsible for all the activities conducted in sports and cultural events. Various committees under the student's council are formed which involves experienced teachers, students and staff. The student's

council in consultation with faculty prepares a budget for cultural as well as sport activities. The budget is further discussed with the principal and management for modifications and approval. The sanctioned fund is disbursed to the student's council through the cultural and sport in charges.

In this way sports and cultural event is conducted every year successfully which is best example of decentralization and participative management where students, faculty, staff and management is also actively involved.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The functioning of the institute operates at four different levels such as Student, Faculty, Principal and Management. Principal as a leader understands the strength of the faculty and assesses involvement of faculty while executing specific tasks. The Principal in consultation with management is empowered to allocate specific faculty to handle dedicated events in best possible way.

Institutional/Industrial/ Field visits of the students

Visit has an importance in a career of student. It is considered as a part of college curriculum. The objective of an Industrial/ Field visits are to bridge gap between theoretical knowledge and practical implementation. With an aim to go beyond academics, visits provide students a practical perspective of the work place and societal activities. It provides students an opportunity to learn practically through interaction by understanding, working methods and employment practices. Visit gives live experience of management i.e. planning, coordination, implementation, execution to the students.

The planning of visit is done by faculties and students. With the suggestions and discussion of higher authorities visits are planned. The institute tries to give an opportunity to different faculties for coordinating visit to ensure participative

management. It gives students lessons of team management and time management.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Bahujan Hitaya Jagat Shikshan Sanstha is the apex body in the functioning of the institution. It supervises the overall functioning of the institute. We have the College Development Committee (CDC) constituted as per the norms laid down by the Maharashtra Public Universities Act, 2016. The institute has constituted committees as per the norms of regulating authorities and also additional committees for internal coordination and monitoring of the activities. The Principal monitors functioning of every committee.

#### Service Rules, Procedures, Recruitment & Promotional Policy:-

Our Institute is permanently affiliated to the RTM Nagpur University Nagpur. The institute strictly follow the statutory norms and procedures in recruitment and promotion of staff. For recruitment the institution gives advertisement in at least one national level newspaper and one local newspaper. Interviews of eligible candidates are conducted by the duly constituted selection committee by the University. Selection of the candidate is done purely on merit basis. Similarly, the existing norms for promotion are followed at the time of granting promotion to employees.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

**Teaching staff:**

API & confidential reports are collected at the end of the academic year. The performance- Based Appraisal System (PBAS)

(API) is divided into two categories.

**CATEGORY- I: Assessment Criteria and Methodology for College Teachers**

**CATEGORY -II: Research and Development**

As per 7th pay UGC regulation 18th July, 2018 and Govt. of Maharashtra Resolution 8th March, 2019, Performance Based Appraisal System (PBAS) helps in identifying the potential area of faculty and staff. Through this, each faculty becomes aware of areas of improvement and accordingly, improvement takes place. The score obtained in the PBAS contributes to the decision about faculty appreciation. Faculty with a low score are personally counseled by the Principal.

**Non-Teaching staff:**

Institute office maintains the CR (Confidential Report) file in which the Confidential Report of the performance of the non-teaching staff prepared by the Principal is maintained.

#### **6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources**

Ours is an Institute where we receive salary grant for UG program. Moreover, we are registered with the UGC under 2(f) & 12(B). Funds received from the UGC under various schemes are utilized on the stipulated heads only.

The institution runs PG courses in the Faculty of Arts in the subjects Marathi, History and Geography on Self-Finance mode. The money generated through this course is only sufficient for the salary of the concerned teachers. The institution also runs additional UG courses in the faculty of Arts, Commerce and Science on Non-grant basis due to the increase in the strength of

students.

The Fee Regulating Authority has formed certain norms and regulations beyond which the Institute cannot charge anything. All other expenses are also met from collected fees only. When funds of larger quantity are required our Bahujan Hitaya Jagat Shikshan Sanstha is consulted.

State Government of Maharashtra provided no fund for NSS activities during the session 2022-23, despite that college has incurred the expenditure of Rs. 74239/- for the implementation of NSS regular activities.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

### Practice I

To take membership of e-Shodh Singhu and Shodhganga

It was brought to the notice of all IQAC members that membership of e-Shodh Singhu and Shodhganga is required to enable faculty and students e-resources available related to library.

Thorough discussion was made and it was decided to take membership of e-Shodh Singhu and Shodhganga. This responsibility is given to Librarian for taking membership of e-Shodh Singhu and Shodhganga and instructed to submit report to IQAC.

Institute level membership of e-Shodh Sindhu and Faculty level membership Shodhganga is taken.

### Practice II

Agenda: Restructuring stakeholder feedback mechanism.

Dr. N Y Lanje proposed to restructure feedback mechanism as per

NAAC Manual i.e. there is need of inclusion of curriculum/  
syllabus related questions in the feedback form.

It was decided that feedback mechanism at the institute level must be restructured for collecting, analyzing and implementing feedback of all stakeholders. IQAC core committee was given responsibility to restructure the existing feedback forms and come up with a new mechanism.

Feedback mechanism is restructured by changing the existing feedback forms of all stakeholders and feedback is sought in new format from Academic Year 2019-20 odd semester end.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC of the College reviews the teaching-learning process, structures & methodologies of operations and learning outcomes of the College systematically at periodic intervals.

The focus of reviews has been to reframe the methodologies and procedures with a view to enabling and empowering teachers to improvise their teaching quality;

Following are major steps for incremental improvements during the year.

#### Efficient Student-Centric Methodologies:

- Every year, in the beginning of the first term, the teacher-mentors are allotted their mentees. The mentors, in the first mentoring session, get two questionnaires relating to mentees' time management and difficulties in studies, filled in from every mentee. The mentoring sessions are conducted every week. Records of these sessions are maintained by the teacher mentors. The sessions on examination preparation, anxiety, and time management are arranged for the mentees.

**Measures for review and improvement in Teacher-Performance**

- Feedback is a vital part of the teaching-learning process. The analysis of the effectiveness of teaching-learning is made through the students' feedback mechanism. The collection and analysis of feedback from the students on a regular basis helps the College not only in evaluating the teacher performance for career advancement but also for developing strategy of teacher-quality up gradation and improvement.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

On the commencement of the academic year the academic calendar is prepared by the committee organized for said purpose. At the beginning of the session the teachers prepare the teaching plan of their respective subjects. Induction program for the fresher's is taken every year and the evaluation of the students is carried out periodically as per the university norms.

The college takes responsibility for ensuring effective curriculum delivery, which is designed by the university. This includes preparing the academic calendar at the beginning of the new session and distributing the curriculum among faculty members through departmental meetings. The college teachers adhere to the timetable and maintain a daily diary to keep track of their working hours. Various assessments such as tutorials, class tests, and practical examinations are conducted to evaluate the students' knowledge. The teachers make every effort to ensure quality education and promote academic growth, using techniques like PowerPoint presentations and discussions. The compliance of the curriculum is verified by the Head of the Departments and communicated to the Principal. At the end of the session, the students' performance is assessed through examinations and feedback. The college strictly follows the examination conducted by the University.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the beginning of each session, the college creates an Academic Calendar that outlines curricular and co-curricular

activities based on the available working days. This calendar is prepared in coordination with the University. The College Council establishes various academic committees to monitor and evaluate academic progress, with periodic reviews conducted by the IQAC, departments, faculties, and the College Council.

All departments in the college develop teaching plans and departmental timetables in accordance with the Academic Calendar. The Academic Calendar includes important information such as admission procedures and timelines, induction programs, the formation and functioning of academic committees, teaching schedules, curriculum assessments, cultural events, class tests, holidays, extracurricular activities, annual sports and cultural activities, NSS activities, event celebrations, alumni meetings, parent-teacher meetings, remedial programs, study tours, field visits, competitions, evaluation programs.

Students are informed about the Academic Calendar well in advance through the college website. Each department prepares a detailed teaching methodology aligned with the syllabus before the start of the session. The teaching plan includes content, learning aids and methodology, faculty approach, and the total number of lectures required to complete the syllabus.

The respective departments and committees review all activities and report any events to the magazine publication committee.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

#### Professional Ethics

The teachers undergo specialized training based on the recommendations of the University Grants Commission by the Ministry of Human Resource Development, Government of India. An Administrative Training Programmed was conducted for the Non-Teaching Staff.

#### Gender

The college has implemented measures to address gender-related issues, including an anti-sexual harassment and grievance redressed cell, as well as an anti-ragging cell. Additionally, there is a dedicated counseling program for girls, and equal facilities are provided for both boys and girls. Health concerns of female students are addressed by providing access to local hospital services, and a Girls Common Room is available with a sanitary napkin vending machine.

#### Human values

National Service Scheme of our college organizes the activities like, health check-up and blood donation camp, aids awareness rally, Yoga Day, Youth Day etc. Volunteers' of NSS participate in Swachha Bharat Abhiyan regularly as well as during NSS camp.

#### Environmental and Sustainability

Environmental Science is a mandatory subject in the second year of all undergraduate programs at our college. To foster environmental awareness and promote eco-friendly practices.

The Department of Chemistry organized a Quiz on "Ozone Day." The college has also installed a rooftop solar power plant.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

After completion of admission process, our institution assesses the learning levels of the students.

The identification of advanced and slow learners is based on their academic performance in the previous year examinations. By conducting class/unit tests, the performances of the students are evaluated. Each teacher (Mentor) is given the responsibility of the allotted mentees with whom they are in touch and interact personally to understand academic and personal problems.

For Slow learners

The college provides previous University examination questions papers, takes home assignments and unit tests. Along with these, there are also other mechanisms for slow learners. As a result of this, students improve their grades in the University examinations.

For Advanced learners -

To give advanced learners a platform to develop themselves, the college encourages the students to participate in the career and counseling programs for MPSC/UPSC guidance (Competitive Examination Guidance), Seminar /Conferences/Workshops, Wallpaper competition. The teachers always motivate the students to participate in e-quiz/quiz competitions, seminars, group discussions etc.

The institution also encourages them to participate in inter-collegiate, inter-university competitions. The college provides the platform to students in the form of an annual college

magazine 'Jagat' to express their innermost ideas by writing articles, poems, biographies, stories, etc.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Various methods of experimental and participatory learning, as well as problem-solving methodologies, are implemented to make sure that students are dynamic participants. The college endeavors to make teaching learning as a two-way process and student-centric. In regular classroom teaching, teachers employ traditional learning methods.

#### Experiential Learning

Our college runs three streams such as Arts, Commerce and Science. So, the teaching faculties of the college promote experimental learning methods. Natural Sciences like Chemistry, Mathematics, Botany, Zoology, Geography and Physics are using these methods in the teaching learning process to facilitate the learning abilities of the students. Laboratory experiments performed regularly as per affiliating university curriculum.

#### Participative Learning

The college follows Study Tour, Quiz-contests, Seminars, Guest lecturers of the experts, Workshops, etc. are conducted. Yoga

Day, World population day, National blood donation day, Library Day, Teachers' Day, Ozone Day, Vaachan Prerna Diwas (A.P.J. Abdul Kalam birthday), Constitution Day, World Aids eradication day, National Science Day, National Mathematics Day, International Women's day, etc.

#### Problem Solving Method

In order to develop and enrich students creativity, critical thinking, reasoning power, the college adopts problem solving method. In this method, different types of problems related to teaching and learning of students are resolved.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The academic calendar is approved by Principal and is communicated to students and teachers. As CIE has semester pattern, annual college tests are conducted in each semester for each course, in addition to these assignments, seminars, class tests, online tests, oral exams, group discussions and regular attendance of students are considered to test students' knowledge. All of these are taken into account for assigning internal marks.

Transparency measures: -

1. Inform to students and their parents of assessment process through notices, academic calendar and through website.
2. Communicate the dates of examinations through notice on boards and on whatsaap in each semester.
3. After the evaluation, obtained marks are recorded in the file.
4. Attendance records of students are strictly checked.
5. College annual tests are conducted in each semester.
6. Students are discussing their doubts and grievances about the syllabus and examination.

Robustness measures: -

1. Assessment practices are conducted and undertaken ethically and honestly.
2. Assessment procedure and practices are fair, flexible, equitable etc.

Variety of tools used for internal assessment: -

1. Both summative and formative tools are used for internal assessment of students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

For the redressal of external examination related grievances of the students, the institution suggests such students to follow the university procedures. The students, who suffer from under-valuation, are guided about the procedures regarding the procurement of challenge forms, xerox copies of their solved answer sheets, university theory examinations related problems.

College collects complaint from the students in prescribed form and forwards it to University. Students get xerox copy of answer sheet of the concerned paper. After reading answer sheets student can apply for verification & revaluation of answer sheets. College forwards his/her application to university. The result of revaluation is given by the university within 30 days after application.

**Internal Exam:**

The institution conducts tutorials, home assignments, unit tests, presentations, seminars, etc. to assess the performance of the students. The examination committee of the institution executes internal exams in a very meticulous manner. In order to conduct practical exams, internal and external examiners are appointed by the affiliating university. The answer sheets of unit tests and terminal exams are handed over to the students after assessment. The institution communicates to the parents of the students who fail to attempt the tests/terminal exams.

**2.6 - Student Performance and Learning Outcomes**

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The teachers who are members of BoS in the institution actively participate in workshops on the reconstruction of the curriculum organized by university and by other institutions. The institution permits teachers to participate in workshops, seminars, conferences and FDPs to enrich them with curriculum. The course outcomes of our college are described faculty wise as follows.

Science faculty:

After the completion of graduation in science, the students should have

- participated in project works for independent design and carrying out of practical skills and research work;
- acknowledged that scientific knowledge plays most important role in overcoming social evils, blind faith, poverty, health issues and pollution;

Commerce faculty:

After the completion of graduation in Commerce, the students should have

- ability to analyze organizational problems and generate realistic solutions based on current academic research in organizational behavior;
- skills to build up viable alternatives and make effective decisions relating to business ethics and social responsibility.

Arts faculty:

After the completion of graduation in the Arts, the students should have

- participated in various social and cultural activities voluntarily; ability to write articles, novels and stories to spread the message of equality, nationality and social harmony;
- various communication skills such as reading, listening and speaking.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Our institute is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. For the calculation of attainment level our college used both the direct and indirect methods. The process of attainment of COs, POs and PSOs starts from writing appropriate COs for each course in the three-year graduate and two year post graduate degree program. The attainment of COs, POs and PSOs are evaluated by the institution on the basis of success rate of the students in college annual test and University exams.

At the end of each semester, university conducts examinations and the result are published by university. The course outcomes are measured based on the course attainment level fixed by the college.

Attainment Level: Our Institution has defined the following attainment level.

Attainment Level 0: Students scoring 30% and less than 40% marks.

Attainment Level 1: Students scoring 40% and less than 60% marks.

Attainment Level 2: Students scoring 60% and less than 80% marks.

Attainment Level 3: Students scoring 80% and more marks.

Overall attainment level calculation is also done by using the specified formulation. Overall attainment: -80% of external exam attainment+ 20% of internal exam attainment.

The tabular presentation is also given here for the session

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

In order to strengthen the alumni association, to work more authentically, and achieve flexibility and transparency, college has taken initiative for the registration of the alumni association.

The following activities are taken during meeting of alumni association every year.

1. Alumni express their concern if any as regards physical, academic, library, and extension facilities in the alumni meeting held once every year.

2. Principal of the college also familiarizes the alumni with the updated changes.

3. Alumni are allowed to share views, complaints and suggestions.

4. Well-structured alumni feedback is collected, analyzed and action taken for overall development of the college.

5. It creates a nice and positive impression on the minds of the students present during the annual meeting when the alumni belonging to different social standing and status share their narratives of achieving success in their career.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Jagat Arts, Commerce and Indiraben Hariharbhai Patel Science College stands as a model of higher education institution giving quality education to the students, mostly from poor socio-economic background. Management is the apex body in the organizational structure of the institution. The Principal as an academic and administrative head of the institution implements the decisions and policies of the Management, the University and the State Government with the help of teaching and non-teaching staff. College Development Committee (CDC) formed in accordance with the Maharashtra Public Universities Act, 2016 to look after the academic and administrative

functioning of the institution. The Vision and Mission of the college are maintained through democratic governance with the involvement of Management, staff and students.

**Vision:**

- Our institution aims to educate the rural people, spread literacy to rural and remote area of the society to build up a strong nation.
- To promote the culture of value-based education system with firm belief in up-lifting socio-economically weaker sections of the society.

**Mission:**

- Education as a mission for village folk.

To educate the rural people who astray from education due to lack of educational facility in the neighboring area.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Our institution annually organizes Sports and Cultural Program. It is celebrated with the involvement of all students. Teaching and non-teaching staff. This is the best example of decentralization and participative management. Case study regarding same is briefed below.

Case study- Annual Sports and Cultural Events Organization:-

As per the academic calendar of the institute, sports and cultural event is organized annually. The student council formed by the institute, as per the university guidelines, is responsible for all the activities conducted in sports and cultural events. Various committees under the student's council are formed which involves experienced teachers, students and staff. The student's council in consultation with faculty

prepares a budget for cultural as well as sport activities. The budget is further discussed with the principal and management for modifications and approval. The sanctioned fund is disbursed to the student's council through the cultural and sport in charges.

In this way sports and cultural event is conducted every year successfully which is best example of decentralization and participative management where students, faculty, staff and management is also actively involved.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The functioning of the institute operates at four different levels such as Student, Faculty, Principal and Management. Principal as a leader understands the strength of the faculty and assesses involvement of faculty while executing specific tasks. The Principal in consultation with management is empowered to allocate specific faculty to handle dedicated events in best possible way.

Institutional/Industrial/ Field visits of the students

Visit has an importance in a career of student. It is considered as a part of college curriculum. The objective of an Industrial/ Field visits are to bridge gap between theoretical knowledge and practical implementation. With an aim to go beyond academics, visits provide students a practical perspective of the work place and societal activities. It provides students an opportunity to learn practically through interaction by understanding, working methods and employment practices. Visit gives live experience of management i.e. planning, coordination, implementation, execution to the students.

The planning of visit is done by faculties and students. With the suggestions and discussion of higher authorities visits are

planned. The institute tries to give an opportunity to different faculties for coordinating visit to ensure participative management. It gives students lessons of team management and time management.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Bahujan Hitaya Jagat Shikshan Sanstha is the apex body in the functioning of the institution. It supervises the overall functioning of the institute. We have the College Development Committee (CDC) constituted as per the norms laid down by the Maharashtra Public Universities Act, 2016. The institute has constituted committees as per the norms of regulating authorities and also additional committees for internal coordination and monitoring of the activities. The Principal monitors functioning of every committee.

**Service Rules, Procedures, Recruitment & Promotional Policy:-**

Our Institute is permanently affiliated to the RTM Nagpur University Nagpur. The institute strictly follow the statutory norms and procedures in recruitment and promotion of staff. For recruitment the institution gives advertisement in at least one national level newspaper and one local newspaper. Interviews of eligible candidates are conducted by the duly constituted selection committee by the University. Selection of the candidate is done purely on merit basis. Similarly, the existing norms for promotion are followed at the time of granting promotion to employees.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

**Teaching staff:**

API & confidential reports are collected at the end of the

academic year. The performance- Based Appraisal System (PBAS) (API) is divided into two categories.

**CATEGORY- I: Assessment Criteria and Methodology for College Teachers**

**CATEGORY -II: Research and Development**

As per 7th pay UGC regulation 18th July, 2018 and Govt. of Maharashtra Resolution 8th March, 2019, Performance Based Appraisal System (PBAS) helps in identifying the potential area of faculty and staff. Through this, each faculty becomes aware of areas of improvement and accordingly, improvement takes place. The score obtained in the PBAS contributes to the decision about faculty appreciation. Faculty with a low score are personally counseled by the Principal.

**Non-Teaching staff:**

Institute office maintains the CR (Confidential Report) file in which the Confidential Report of the performance of the non-teaching staff prepared by the Principal is maintained.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Ours is an Institute where we receive salary grant for UG program. Moreover, we are registered with the UGC under 2(f) & 12(B). Funds received from the UGC under various schemes are utilized on the stipulated heads only.

The institution runs PG courses in the Faculty of Arts in the subjects Marathi, History and Geography on Self-Finance mode.

The money generated through this course is only sufficient for the salary of the concerned teachers. The institution also runs additional UG courses in the faculty of Arts, Commerce and Science on Non-grant basis due to the increase in the strength of students.

The Fee Regulating Authority has formed certain norms and regulations beyond which the Institute cannot charge anything. All other expenses are also met from collected fees only. When funds of larger quantity are required our Bahujan Hitaya Jagat Shikshan Sanstha is consulted.

State Government of Maharashtra provided no fund for NSS activities during the session 2022-23, despite that college has incurred the expenditure of Rs. 74239/- for the implementation of NSS regular activities.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

### Practice I

To take membership of e-Shodh Singhu and Shodhganga

It was brought to the notice of all IQAC members that membership of e-Shodh Singhu and Shodhganga is required to enable faculty and students e-resources available related to library.

Thorough discussion was made and it was decided to take membership of e-Shodh Singhu and Shodhganga. This responsibility is given to Librarian for taking membership of e-Shodh Singhu and Shodhganga and instructed to submit report to IQAC.

Institute level membership of e-Shodh Sindhu and Faculty level membership Shodhganga is taken.

## Practice II

**Agenda: Restructuring stakeholder feedback mechanism.**

Dr. N Y Lanje proposed to restructure feedback mechanism as per NAAC Manual i.e. there is need of inclusion of curriculum/ syllabus related questions in the feedback form.

It was decided that feedback mechanism at the institute level must be restructured for collecting, analyzing and implementing feedback of all stakeholders. IQAC core committee was given responsibility to restructure the existing feedback forms and come up with a new mechanism.

Feedback mechanism is restructured by changing the existing feedback forms of all stakeholders and feedback is sought in new format from Academic Year 2019-20 odd semester end.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC of the College reviews the teaching-learning process, structures & methodologies of operations and learning outcomes of the College systematically at periodic intervals.

The focus of reviews has been to reframe the methodologies and procedures with a view to enabling and empowering teachers to improvise their teaching quality;

Following are major steps for incremental improvements during the year.

**Efficient Student-Centric Methodologies:**

- Every year, in the beginning of the first term, the teacher-mentors are allotted their mentees. The mentors, in the first mentoring session, get two questionnaires

relating to mentees' time management and difficulties in studies, filled in from every mentee. The mentoring sessions are conducted every week. Records of these sessions are maintained by the teacher mentors. The sessions on examination preparation, anxiety, and time management are arranged for the mentees.

**Measures for review and improvement in Teacher-Performance**

- Feedback is a vital part of the teaching-learning process. The analysis of the effectiveness of teaching-learning is made through the students' feedback mechanism. The collection and analysis of feedback from the students on a regular basis helps the College not only in evaluating the teacher performance for career advancement but also for developing strategy of teacher-quality up gradation and improvement.
