PROFILE

The foundation stone of the college was laid down by Hon'ble Shri Jagatram Sonuji Rahangdale in the year 1992. It is a matter of great proud that the college has been forwarding in 34th academic year. Within a very small time span, the college has progressed leap and bound. The members of the society, the Principal, the staff members are always striving hard to attain proper perspective of education.

The executive committee of the National Assessment and Accreditation Council on the recommendation of its peer team re-accredited the college by 'B+' grade with CGPA 2.54. This re-accreditation by NAAC shows the quality profile of the college and recognition at the national level.

Our college is under section 2(f) & 12 (B) of UGC Act, 1954 from 23rd Oct. 2008 and permanently affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur.

VISION

Our college aims to educate the rural people, spread up literacy to the endpoint of rural area and remove superstitions from the society to build up the strong nation.

MISSION

- i) Education as a mission for village folk.
To educate the rural people who astray from education due to lack of educational facility in the neighboring area.
- ii) Dissemination of education to grass root.
Effective planning should begin from the bottom for the eradication of social evils. To create consciousness and awareness among the village mass, being illiterate and distant from the benefit of education, management takes creative and constructive initiatives in this direction.
- iii) Socio-economic, moral and cultural amelioration of society.
Education in any free and complex society is influenced by socio-economic and cultural circumstances. To boost up such structure among the villagers, the higher education plays a significant role. Our institution defiantly enhance in this direction successfully.
- iv) To encourage co-education for removal of backwardness of women cadre.
As the problem of illiteracy among the women in the rural area is obviously immense, the education of girls, mothers of the future, is the most significant factor in reducing the illiteracy and superstitions in the society. To achieve higher level of literacy and upgrading status of women's cadre in the rural area and to bring about radical changes in their lives, a drastic attempt is made to encourage co-education through the esteemed institution.
- v) To serve and co-operate the community.
Providing the student with self-sufficient comprehensive and dependable source would enable him to prepare for various fields of life. Our college extends better educational service to community and society overall.
- vi) Approach to quality improvement in learning.
For the betterment of students through dedication, teaching is the sole mission of our college. The institution strives for improvement in the quality of education. Students' satisfaction being the aim, institution tries its best to achieve this goal with co-ordinated endeavor and contribution by devoted, experienced and skilled teacher.

- vii) To equip the new generation to meet and beat crucial challenges of modern era.
The strategies and approach of the college is to prepare students to face the challenges of modern era. We believe that the student in turn will serve society. As educated men & women they would make their contribution in their chosen careers and as responsible citizens they will be capable of meeting the challenges in time ahead. The college is well equipped and seeks to impart a new spirit among youth.
- viii) To stimulate interest in minds of the students for learning and developing mental intellectual status.
At the time of admission, the admission committee and the principal communicate with the students. It also communicates with the staff and stakeholders through parent-teacher meeting and NSS program organized by the college every year.

OBJECTIVES

The institution is committed to offer quality education which fulfil the requirements of its students and help them in pursuing their future goals. The institution designs curricular and co-curricular programs to develop the qualities of hard work, honesty, integrity and socialism among the students. The competitive environment helps students to attain their full intellectual and personal potential through passion for excellence, making them globally competent. The institution is always ready to take care of the students by providing following opportunities :

- Providing students with an environment for the all round development of their intellectual, physical, moral, aesthetic, scientific temperament and social potential.
- Promoting academic excellence through well-resourced quality teaching.
- Identifying the skills and intellectual capabilities of students and developing a spirit of inquiry, research and creativity.
- Guiding the students to attend different competitive examinations.
- Developing positive attitude through extracurricular activities such as field visits, NSS camp and other activities.
- Availing favorable environment to build self-esteem, self-confidence to become a supportive member of the society.
- Boosting qualities of leadership, responsibility, tolerance and respect for others, thus, fostering positive relationships.
- Preparing students to interact positively, efficiently and effectively with the society.
